16-10-2: Public Meeting to Consider the Proposed Amendments to the Evaporative Emission Requirements for Small Off-Road Engines

The Board will consider amendments to address non-compliance of small off-road engines (SORE) with existing evaporative emission standards, as well as amendments to streamline the certification process by harmonizing where feasible with federal requirements. SORE are used to power a broad range of lawn and garden equipment as well as generators and small industrial equipment. Staff will also present to the Board a vision for achieving significant additional emission reductions from SORE in order to meet air quality and climate goals. As part of this Board item, a showcase of electric lawn and garden equipment will be displayed inside and adjacent to the California Environmental Protection Agency Building.

16-10-3: Public Meeting to Hear an Informational Item on the AB 32 Scoping Plan Development

Spanish translation will be provided at the Board Meeting for this item, Item 16-10-3.

The Board will hear a summary of draft policy scenarios developed as part the 2030 Target Scoping Plan Update. These scenarios will include policies that may be recommended to help the State achieve the 2030 greenhouse gas limit. This is an informational update that will allow stakeholders and board members to discuss the policies and economic modeling results before staff recommends a suite of measures for the 2030 Target Scoping Plan.

16-10-5: Public Meeting to Update the Board on the Cap-and-Trade Adaptive Management Process

Spanish translation will be provided at the Board Meeting for this item, Item 16-10-5.

The Board will hear an update of the Cap-and-Trade Adaptive Management Process. Adaptive management involves establishing a process to identify and track emissions increases, if any, that are directly attributable to implementing the Cap-and-Trade Program. This process would also identify potential ways to address any increases that might be identified.
